

Ikubi2030-Children Radio

for creative learning activities – continuing up to October 2021-July 2022 + ...

"Hello, Servus, Habari!"

*Connecting creative (art-based literacy) and agile (serious play-based) learning methods to widen opportunities,
improve communicational skills and support talent development
Intercultural pedagogy, relational approach, humanistic education 21st century*

Methodology

*2x monthly one hour-meetings on ZOOM -in kind, organized by Tatjana Christelbauer, ACD-Agency for Cultural Diplomacy -Austrian based cultural association-president, art professional, intercultural pedagogue;

*Preparatory activities on needs, interests, setting goals: exchange via e-mail correspondence with Churchill Butalia, ADEPS org., teachers of the Noah's Arc Academy

Overall goals:

- support local, regional and global educational institutions and scholars by space and content for learning continuum, connecting formal and informal learning formats on intergenerational level;
- encourage children and their families to create intergenerational learning sessions by their ideas with family members;
- create sustainable cost-efficient model for media education: Radio-like talks via ZOOM;
- encourage intercultural exchange at local, regional and global level;
- improve (mental) health conditions and support development of health culture based on local resources through cross-sectoral partnerships such as with Community Health Workers, Local media (radio), ACD (global), Red Crescent, cultural and faith-based communities, other supporting partners;
- encourage development of communicational skills and inclusion of the language variety in daily life by storytelling, creation of the linguistic landscapes, learning of songs and poems in local, regional, national languages, and introducing the global language landscape, such as learning some songs and poems in German (templates from ACD-president);
- celebrate the local, regional and global language variety applying the European motto of "Unity in Diversity" by creation of linguistic landscapes with collection of greets, proverbs, songs and beyond which will be collected from Radio Talk sessions and posted on this Webpage. Up to June 2020 we will create Facebook-page and post all documented Talks, Photo-images, drawings, other materials provided by audiences.
- encourage sustainable development in the region through creative learning methods with focus on sustainable development education based on UNESCO documents such as [IkuBi-Modell](#)

Our Legacy, vision:

UN SDGs: SDG4 Quality education for all; SDG3: Health and Wellbeing;

SDG17: Partnerships for Goals, including all UN SDGs into our topics for discussions and creative activities!

UN CRC: Children Rights Convention

Convention on the Rights of the Child, Article 13

“The child shall have the right to freedom of expression; this right shall include freedom to seek, receive and impart information and ideas of all kinds, regardless of frontiers, either orally, in writing or in print, in the form of art, or through any other media of the child's choice.”

Radio is an excellent medium for children, and we must recognize and respect their right to accessible programming. Every large city with over 250,000 inhabitants should provide children with access radio content that is both educational and entertaining.”
